GLADIOLUS BULBS

1936

FEB

U. S. DEPARTMENT OF AGRICULTURE,

WASHINGTON, D. C.

BUREAU OF PLANT INDUSTRY
Fruit and Vegetable Crops and Diseases.

G.P.O. 8—3591

SPRING BULLETIN, 1936

AS usual, our Gladiolus bulbs are guaranteed clean, healthy and true to name; anything proving otherwise will be replaced. However, the results you will obtain are so entirely up to you that we cannot hold ourselves responsible for same. Carrying charges prepaid on all orders amounting to $1.00 or over. Please send cash with order. Orders accepted subject to stock unsold.

We are offering the following discounts in bulbs of your own choice:

5% on orders up to $5.00
10% on orders $5.00 to $15.00
15% on orders over $15.00

Let us give you a quotation on larger orders; also on smaller sizes in quantities not offered in the list.

Thrips

1. Keep a little naphthalene (tar camphor flakes, or moth balls) among the bulbs at all times in storage.

2. Soak in some insecticidal solution before planting. Bichloride of Mercury will do.

3. It is better to begin spraying before infestation starts. Use any good plant spray as directed. We have heard of the success of a solution of brown sugar and Paris green.

4. Burn all infested flower spikes.

5. Burn the plant tops after digging.

Our Own Introductions

Devon. Palest rose pink, with small feather of bright rose in the throat. Strong straight spike, well above medium height; flowers large, 8 to 10 open at once, with perfect placement.

Large bulbs, **$4** ea.—Medium bulbs, **$2** ea.

Small bulbs, **$1** ea.—Bulblets, **50c** ea.; 10 for **$4**

Pink Crepe. Upper petals clear flesh pink, blending gradually into the pure cream white of the lower petals. The only throat markings are a few dotted lines of deep red. The shape of the flowers is distinctive with the edges of the petals slightly ruffled. The stem is slender and always straight, placement of flowers is perfect. A very beautiful variety of delicate coloring, which does not fade or droop in the sun.

Large bulbs, **$4** ea.—Medium bulbs, **$2** ea.

Small bulbs, **$1** ea.—Bulblets, **50c** ea.; 10 for **$4**

Tiny. A miniature type. Flowers about $1\frac{1}{2}$ inches across. Color, white, blending to pink on edges of petals, which are laciniated. Spike of medium height, stiff and straight. This variety lends itself to small artistic decorations where the larger varieties could not be used. It has created much favorable comment.

Large bulbs, **25c** ea.; Doz., **$2.50**

Medium bulbs, **10c** ea.; Doz., **$1.00**

GLADIOLUS

List of Varieties

	Large Bulbs	Medium Bulbs
